June 1st Covid-19 Update for Renters:

We want to thank you for your patience and loyalty. As of June 1st, the two-week quarantine for most visitors is no longer a requirement in the State of RI. This will allow you to enter the state for your visit to Misquamicut Beach. Another change is the maximum gathering size changed to 15 people. This should allow your family and friends to be together during your visit.

The next concern is capacity at the beaches. We know the beaches will be open, and at a minimum, social distancing and mask wearing will be required. There may also be additional restrictions of beach accessibility. It is going to be different from other years, so prepare to be flexible.

Owners and the house cleaning service are ready to clean and disinfect each house to CDC guidelines. To ensure we give ample time to clean, we are extending check in time to 2pm. It is an hour adjustment that we hope you can understand.

Besides bed linens and towels, the houses will not come supplied with any blankets, bedspreads or bed pillows. There is no easy way to clean and disinfect these between rentals. You will be responsible to bring your own (as many of you already do). (All bedding sizes can be found on the unit page of your specific cottage at www.stantonrealty.com.)

Lastly, our intention is to let you know we are doing as much as possible to keep you informed and to make your vacation comfortable and safe. If you are no longer confident with the rental, we will understand but need to know. Please email or call as soon as possible. If you plan to go forward with the rental, the final payment will be due at least 21 days prior to your arrival, and we will email you that request soon.

Again, thank you and we hope to see you this summer.

Sincerely, The staff from Stanton Realty
